

BIKINI BAY

Bikini Bay was created in 1992 with the vision to offer a variety of sizes and styles to fit every body type and to reveal the beauty in every woman! – **Bikini Bay's** motto reflects their vision: A Suit for "Every Body"!

Starting with one store, they have successfully expanded to 10 locations in the Greater Toronto Area, and one location in Las Vegas. **Bikini Bay** currently produces many of the swimsuits and accessories that they sell, incorporating feedback from the customers into each design.

Bikini Bay strives to provide a rewarding shopping experience by meeting each customer's evolving needs through continued leadership in the merchandise, as well as outstanding customer service.

Bikini Bay's expansion plans are to continue to focus in Ontario. Stores are corporate and target 1,200 square feet in regional malls.
